

PTDQ - Professional Taxi Driver Qualification

NVQ Level 2 Certificate

Introduction to the Role of the Professional Taxi and Private Hire Driver by Distance Learning

Logis-Tech Associates are now running a course specifically for Taxi and Private Hire drivers. It is delivered by distance learning throughout the UK. The course is at your own time and at your own pace. No attendance at College or a training centre is required.

The Introduction to the Role of the Professional Taxi and Private Hire Driver, Level 2 Certificate is a course designed to support, develop and enhance both the knowledge and the performance of new and existing taxi and private hire drivers licensed in the UK. Some local councils have now made this course a mandatory requirement for all of their drivers. This course consists of 9 units.

Units on the Level 2 Certificate include:

- Unit 1: Health and safety in the taxi and private hire work environment
- Unit 2: Road safety when driving passengers in a taxi or private hire vehicle
- Unit 3: Professional customer service in the taxi and private hire industry
- Unit 4: Taxi and private hire vehicle maintenance and safety inspections
- Unit 5: The regulatory framework of the taxi and private hire industry
- Unit 6: Taxi and private hire services for passengers who require assistance
- Unit 7: Routes and fares in the taxi and private hire vehicle industries
- Unit 8: Transporting of parcels, luggage and other items in the taxi and private hire industries
- Unit 9: Transporting of children and young people by taxi or private hire vehicle
